

GROW YOUR CAREER. *Live the lifestyle.*

Halton Healthcare Services is a dynamic, innovative organization with three progressive community hospitals, located just outside of Toronto, in Georgetown, Milton and Oakville respectively. As we continue to provide quality health services to our rapidly growing community of more than 275,000 Halton residents, plans are underway to relocate and expand our Oakville site, and a proposal has been made to expand our Milton site. We are proud to have been recognized by the OHA with a Healthy Hospital Innovator award.

Emergency Physicians

We require **full- and part-time** Emergency Physicians to join the Department of Emergency at our **Milton and Oakville** sites. In Milton, we have over 24 physicians participating and caring for 30,000 visitors to the ER yearly, while in Oakville's ER, our team of more than 30 physicians looks after 50,000-plus people each year, and has full access to an MRI. Both locations have full specialist backup support and diagnostic technologies, including CT and PACs, as well as an AFA in place. These departments offer an ideal environment for all Emergency Physicians.

All qualified physicians are invited to participate in the selection process. Successful candidates must have a licence to practise in Ontario. Certification as a CCFP(EM) would be an asset.

Inquiries and curriculum vitae submissions should be directed, as appropriate, to the attention of **Tony Chan, MD, Medical Director, Department of Emergency, Milton District Hospital Site**, or **Dr. Lorne Martin, CCFP EM, Medical Director, Department of Emergency, Oakville - Trafalgar Memorial Hospital**, at: **Halton Healthcare Services, 327 Reynolds Street, Oakville, ON L6J 3L7. Fax: 905-338-4146. E-mail: mkahng@haltonhealthcare.on.ca.**

You may also submit your CV online. We thank all applicants for their submissions, however, only candidates felt most appropriate for the position will be selected for interview.
