

Halton Healthcare Services' 4th Annual Patient Safety Expo

Halton Healthcare Services' 4th Annual Patient Safety Expo is being held in celebration of National Patient Safety week which runs from November 1-5. This year's national theme is 'Good Healthcare Starts with Good Communication. Ask. Listen. Talk.' The three day Expo will showcase up to 50 quality-safety displays at each of our three hospitals.

This is a great way for HHS to share and communicate patient safety initiatives with colleagues across our hospitals, raise awareness of patient safety concerns and solutions amongst our physicians, staff, volunteers and the community, and celebrate our achievements.
