## URGENT CARE CLINIC

Providing a continuum of care  
from Inpatient/Crisis response  
services to follow-up services

Halton Healthcare

## The Urgent Care Clinic Provides

Focused short term care, and/or a bridge in services from Inpatient/Crisis response services to Follow-up services

## The Urgent Care Clinic

The Mental Health Urgent Care Clinic may provide up to 3 sessions prior to follow up by the Family Physician, outpatient HHS services, or follow-up by agencies or other caregivers. During your appointment with the Psychiatrist the following may be provided:

- Psychiatric consultation
- Treatment recommendations
- Medication monitoring
- Education
- Counselling

The Patient's Family Physician will receive a copy of the assessment and recommendations.

## Please note

- Clients who live outside of catchments area will be referred to more appropriate services in their community.
- **Please be advised that the Psychiatrist will not complete Insurance Forms, letter for employers etc. due to the brief involvement with the Urgent Care Clinic.**

## Services are available to those

- Of all ages
- Who reside in Oakville, Milton or Georgetown
