

For the communities we serve, Halton Healthcare provides compassionate, quality, community hospital care as part of an integrated system. Halton Healthcare is an innovative, growing organization with three progressive community hospitals, providing quality health services to more than 350,000 Halton residents. Halton Healthcare is Accredited with Exemplary Standing by Accreditation Canada.

Obstetrician/Gynecologist - Full time and Locum - Georgetown Hospital

Halton Healthcare is currently seeking an **Obstetrician/Gynecologist** for our **Georgetown** hospital.

The Georgetown Obstetrics and Gynecology service is currently comprised of two full time Obstetricians/Gynecologists. We are looking for a **full time and Locum** Obstetrician/Gynecologist to join our program. The successful candidate will be expected to demonstrate commitment to community obstetrics and gynecology in Georgetown and will share the on-call coverage. Excellent communication and team skills are essential.

The Georgetown site is a fifty-three bed hospital boasting a 14,000 square foot Emergency Department with 34,000 annual visits and on-site CT scanner. There are two Operating Room suites and one Endoscopy suite. Advanced diagnostics, including PACS and MRI are available within the organization.

Successful candidates will have a license to practice in Ontario and be a fellow of the Royal College of Physicians & Surgeons of Canada.

For further information or to apply by submitting your curriculum vitae, please contact **Dr. Glen Hunter, Chief of Obstetrics & Gynecology**, Milton & Georgetown, Halton Healthcare, via email to: PhysicianRecruitment@haltonhealthcare.com

We thank all applicants for their submissions; however, only qualified candidates will be contacted to attend a pre-application interview. All appointments are subject to Board approval.
