

Youth Volunteer Roles

As a youth volunteer you will have the opportunity to learn the fundamentals of volunteer work and be exposed to a healthcare environment, while serving the community.

Your assistance supports the work of our staff and physicians to provide exemplary patient experiences, always. We are looking for volunteers who are enthusiastic, dependable, sincere, able to accept supervision and are looking to actively participate in a valuable volunteer experience.

All Youth Volunteers must be at least fourteen years of age, available to work at least one shift per week and complete a minimum of 50 hours or 6 months of continuous service before receiving written confirmation of their hours.

Opportunities for Youth Volunteers May Include:

- Assisting staff and patients on the nursing units
- Acting as a companion to patients by reading to them, playing games and visiting
- Meal time support (not feeding)
- Assisting staff and patients in out-patient clinics
- Serving customers in the Gift Shop/Convenience Store
- Mobile Cart offerings (Books/Magazines, Tea)
- Patient Transport
- Information Desk or Way Finding assistance
